What makes those that survive the fittest?

‘My’ genotype

My 2019 phenotype

My 2023 genotype??

Biologist

Stephan van Duin

My bathroom (I wish)

What is this little bird's extended phenotype?

What about this ant's?

Evolution in action?

Bear cubs

Great tits

In nature,
variation = resilience

In nature,
efficiency = vulnerability

Celebrate the outliers, as they will prove invaluable during unpredictable times
